

Our story is inspired by Beirut's iconic Manara Lighthouse. For decades, it has stood over the stone cliff shores of a city that rises above the sea, welcoming travelers with emanating lights and flickering glimpses of the delights that await them ashore. Beirut is a city of exceptional cuisine that has won the world over, world class hospitality second to none, delicacies gifted across the globe, and celebrations unlike anywhere else in the world. Beirut is a city of light, a sparkle in the eye, a warm smile and embrace. It is flavour so rich, and bonds richer. It is laughter, it is joy, it is fireworks that light the night sky.

Welcome to Manaret Beirut, the delight of Beirut.
